

## **Fred**

Fred is in constant demand for corporate shows throughout the United States. His voice can be heard on countless voiceovers and vocal advertisements for companies including Levi's and Wilson and Leather. His Inspirational Gospel CDs for Compass and Lifescapes are still a top selling series in the United States. He is a noted composer, arranger and producer. His acting and singing in the musical production, *Mahalia*, has taken him on tour around the United States. That soundtrack is available from Promised Land Productions.
